

DECLARATION AND POWER OF ATTORNEY
IN COPENDING APPLICATION
CONTAINING ADDITIONAL SUBJECT MATTER

Attorney Docket No. 22908-0002

As a below named joint inventor, each of us hereby declares as follows:

My residence, post office address and citizenship are as stated below next to my name.

I believe that I am an original, first, and joint inventor of the subject matter which is claimed and for which a patent is sought on the invention entitled:

CORTISTATIN: NEUROPEPTIDES, COMPOSITIONS AND METHODS

U.S. Application Serial No. 08/857,389, filed May 15, 1997, also referred to as Docket No. 22908-0002. I have reviewed and understand the contents of the above-identified specification, including the claims.

This application in part discloses and claims subject matter disclosed in my earlier filed copending application Serial No. 08/648,322, filed May 15, 1996, of which I claim the benefit under 35 USC §120.

I acknowledge the duty to disclose information of which I am aware that is material to the examination of this application in accordance with 37 CFR §1.56(a), including material information which occurred between the filing date of said prior application and the filing date of this continuation-in-part application, insofar as the subject matter of the claims is not disclosed in said prior application in the manner provided by 35 USC §112, first paragraph.

That, as to the subject matter of this application which is common to said earlier application, I do not know and do not believe: that this invention was ever known or used in the United States of America before our invention thereof; that this invention was patented or described in any printed publication in any country before our invention thereof or more than one year prior to said application; that this invention was in public use or on sale in the United States of America more than one year prior to said application; that this invention has been patented or made the subject of an inventor's certificate issued before the date of said application in any country foreign to the United States of America on an application filed by me or my legal representatives or assigns more than twelve months prior to said application; nor that any application for patent or inventor's certificate on this invention has been filed in any country foreign to the United States of America prior to said application by me or my legal representatives or assigns, except as follows:.

That, as to the subject matter of this application which is not common to said earlier application, I do not know and do not believe: that this invention was ever known or used in the United States of America before our invention thereof; that this invention was patented or described in any printed publication in any country before our invention thereof or more than one year prior to this application; that this invention was in public use or on sale in the United States of America more than one year prior to this application; that this invention has been patented or made the subject of an inventor's certificate issued before the date of this application in any
